

SKYLEX

Skylex - The state-of-the-art legal
communication platform for lawyers and
clients

Using Mobile Apps to Practice Law in 2021.
(Skylex Mobile Application)

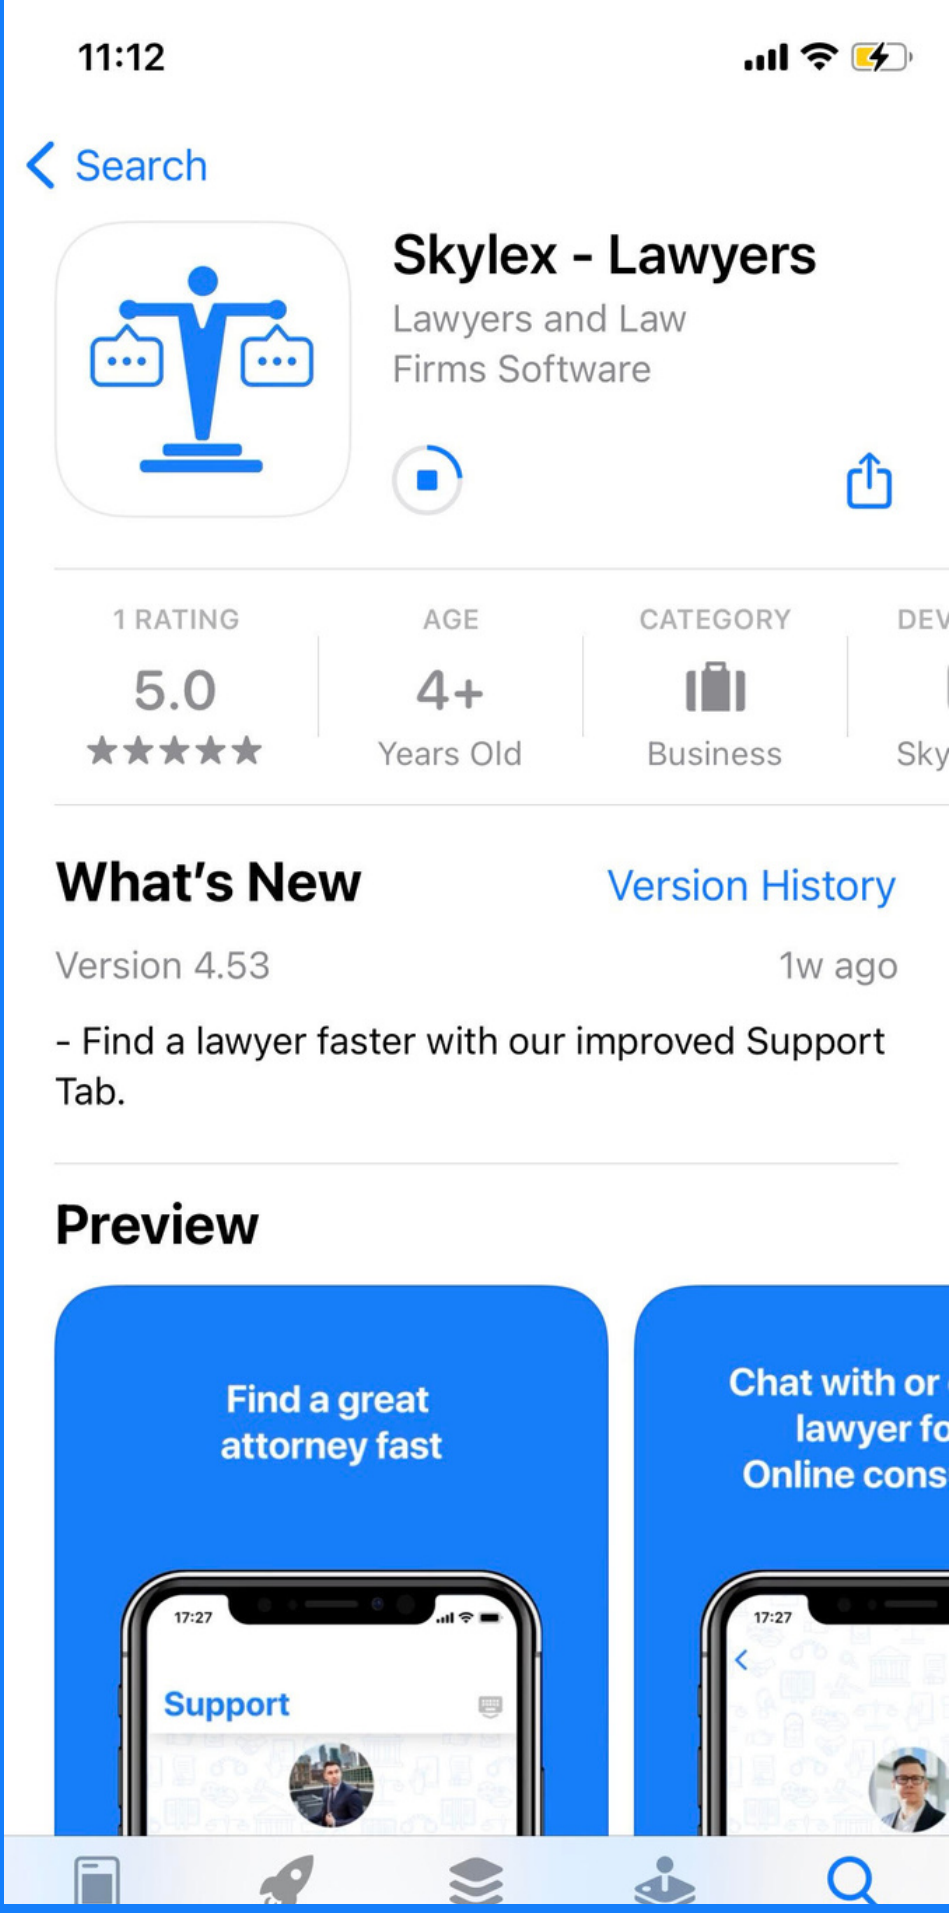

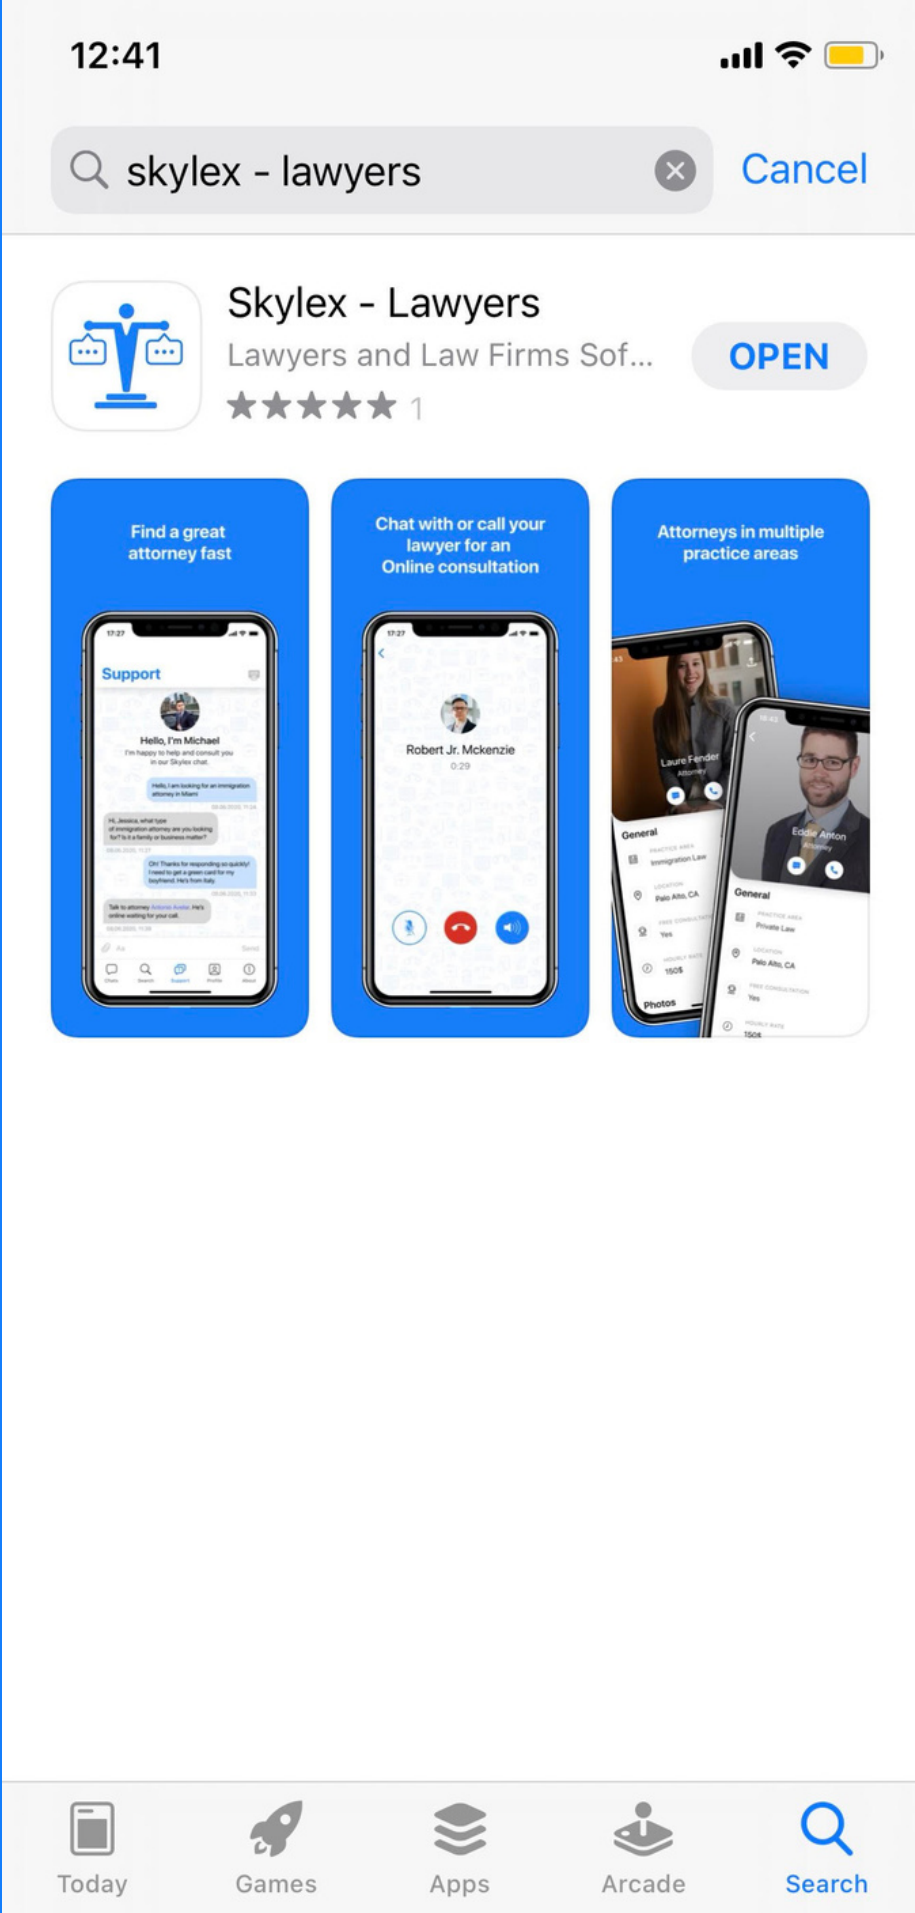

Introduction

Skylex is a free, mobile app that
makes lawyers more effective

Practice remotely. Stay private.
Get more clients. Look good.

Just put Skylex in the search on App Store or Play Store and you'll see the app.

Then you can install it for FREE.

With Skylex, lawyers can send texts, calls and exchange documents with clients for free, using cell phones and without disclosing cell phone numbers.

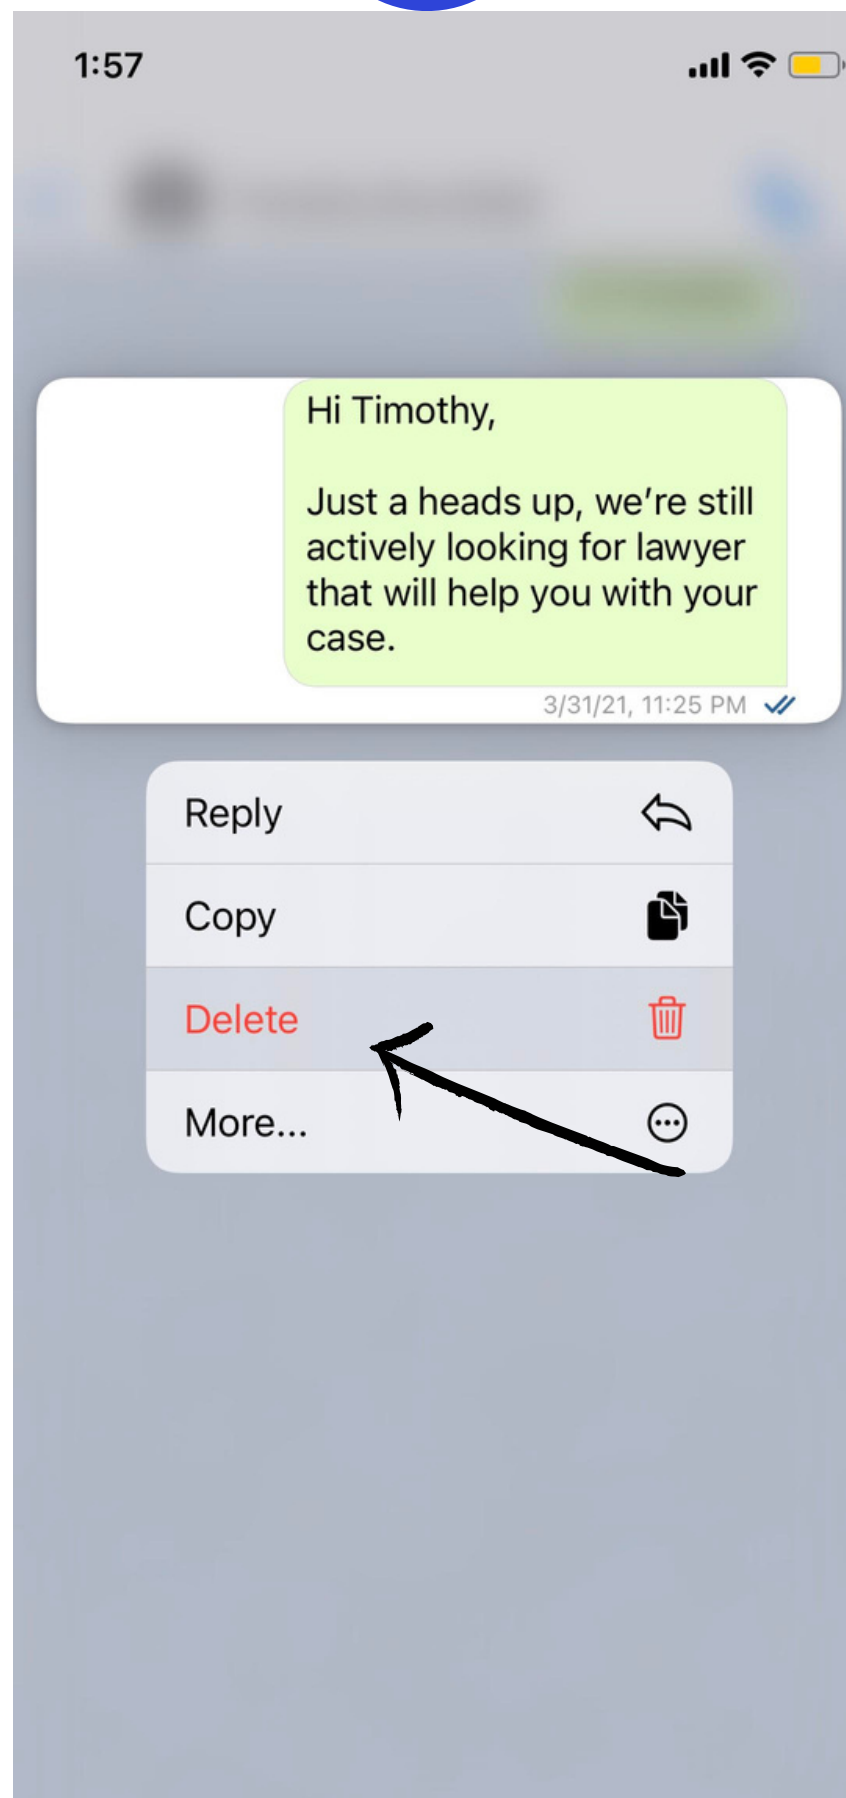

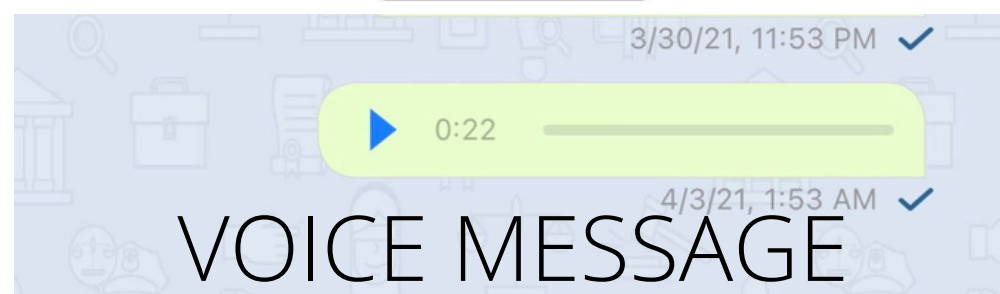

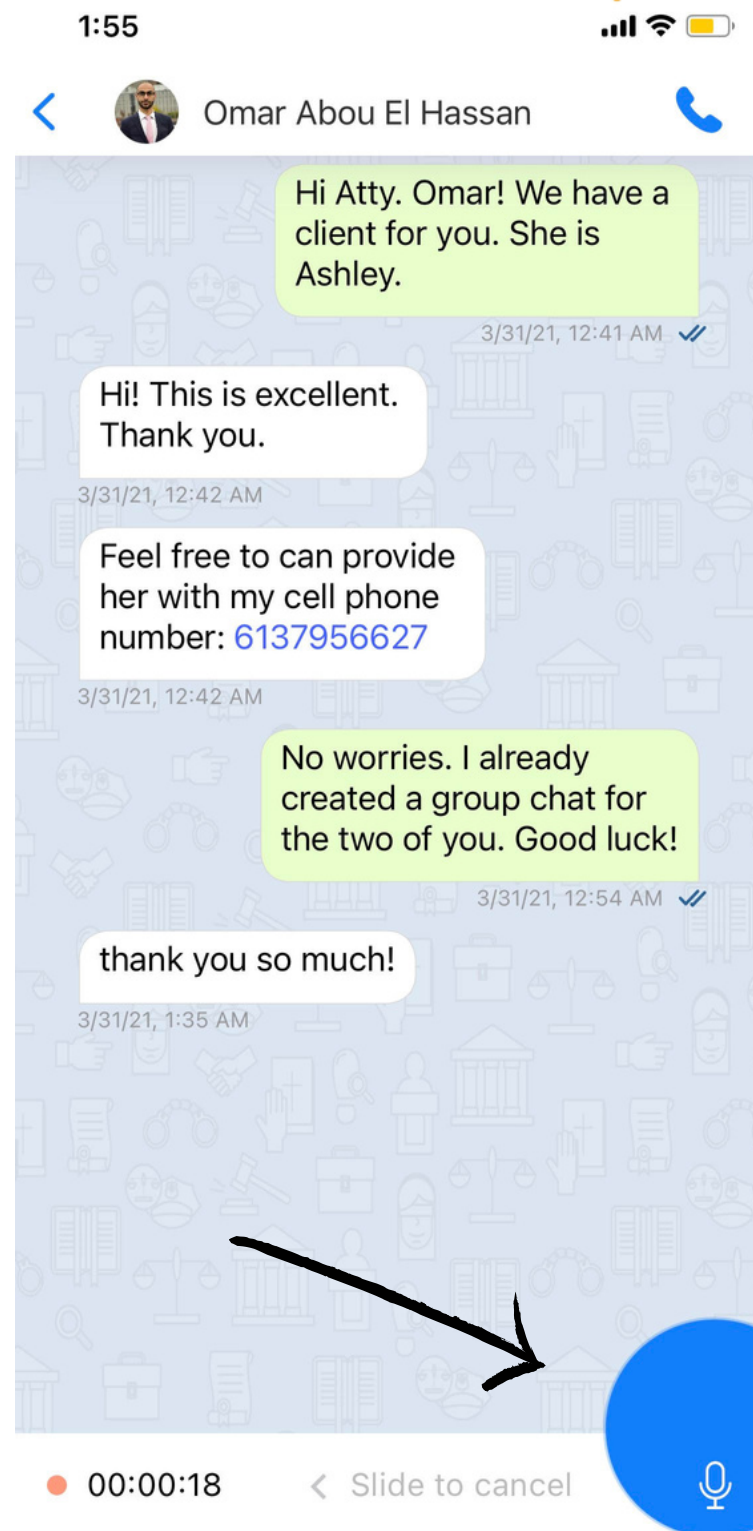

MAIN FEATURES

Keep your cell phone number private. Make calls, send texts and documents without disclosing your cell phone number.

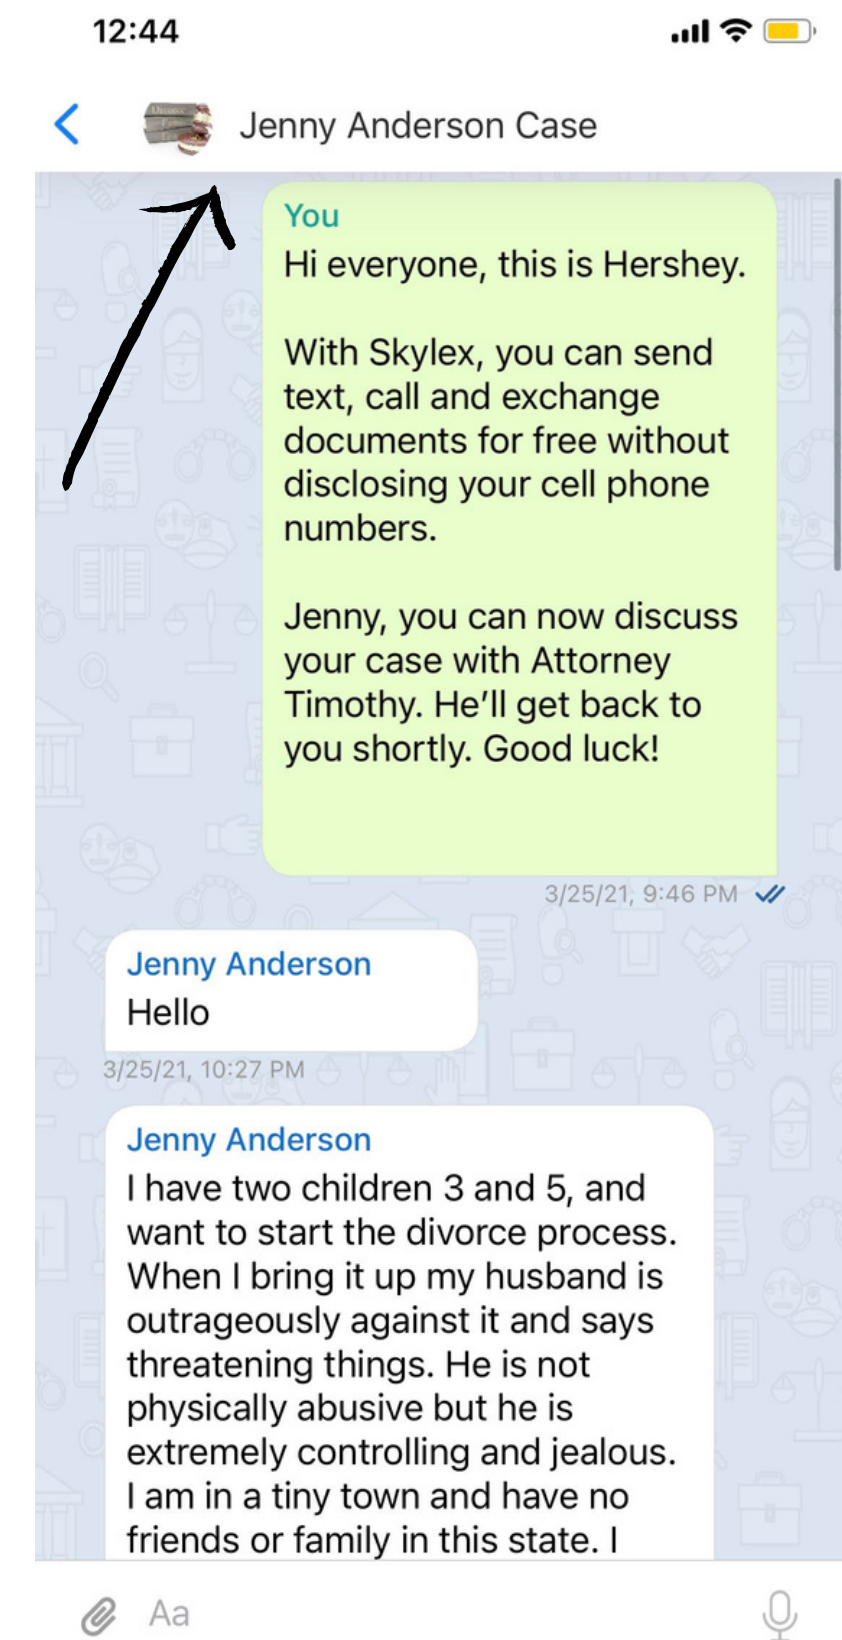

Call anyone in the US from the Skylex app, keeping your cell number private. Just use the Mobile Calls tab at the bottom of the screen and begin making free calls. Call recipients will see only “unknown number”.

Professional yet relaxed chatting experience. Communicate with clients the way young associates and clients do it—more texting, fewer calls and personal meetings.

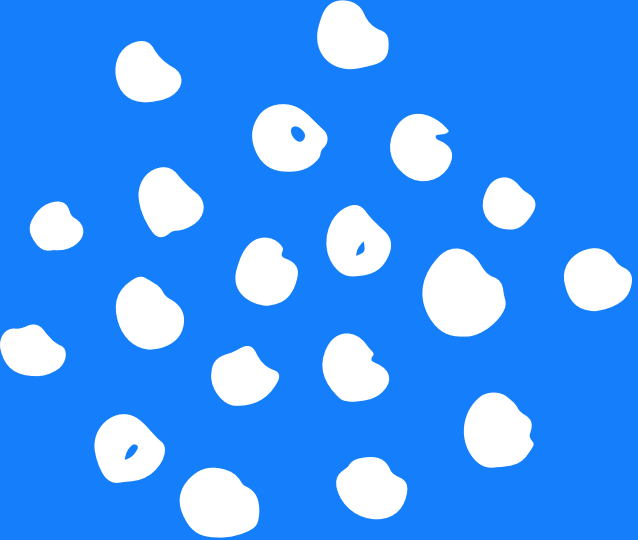

Marketing: Enjoy Skylex marketing helping to market your law firm. With your Skylex Professional Profile, your law firm will shine.

GROUP CHAT

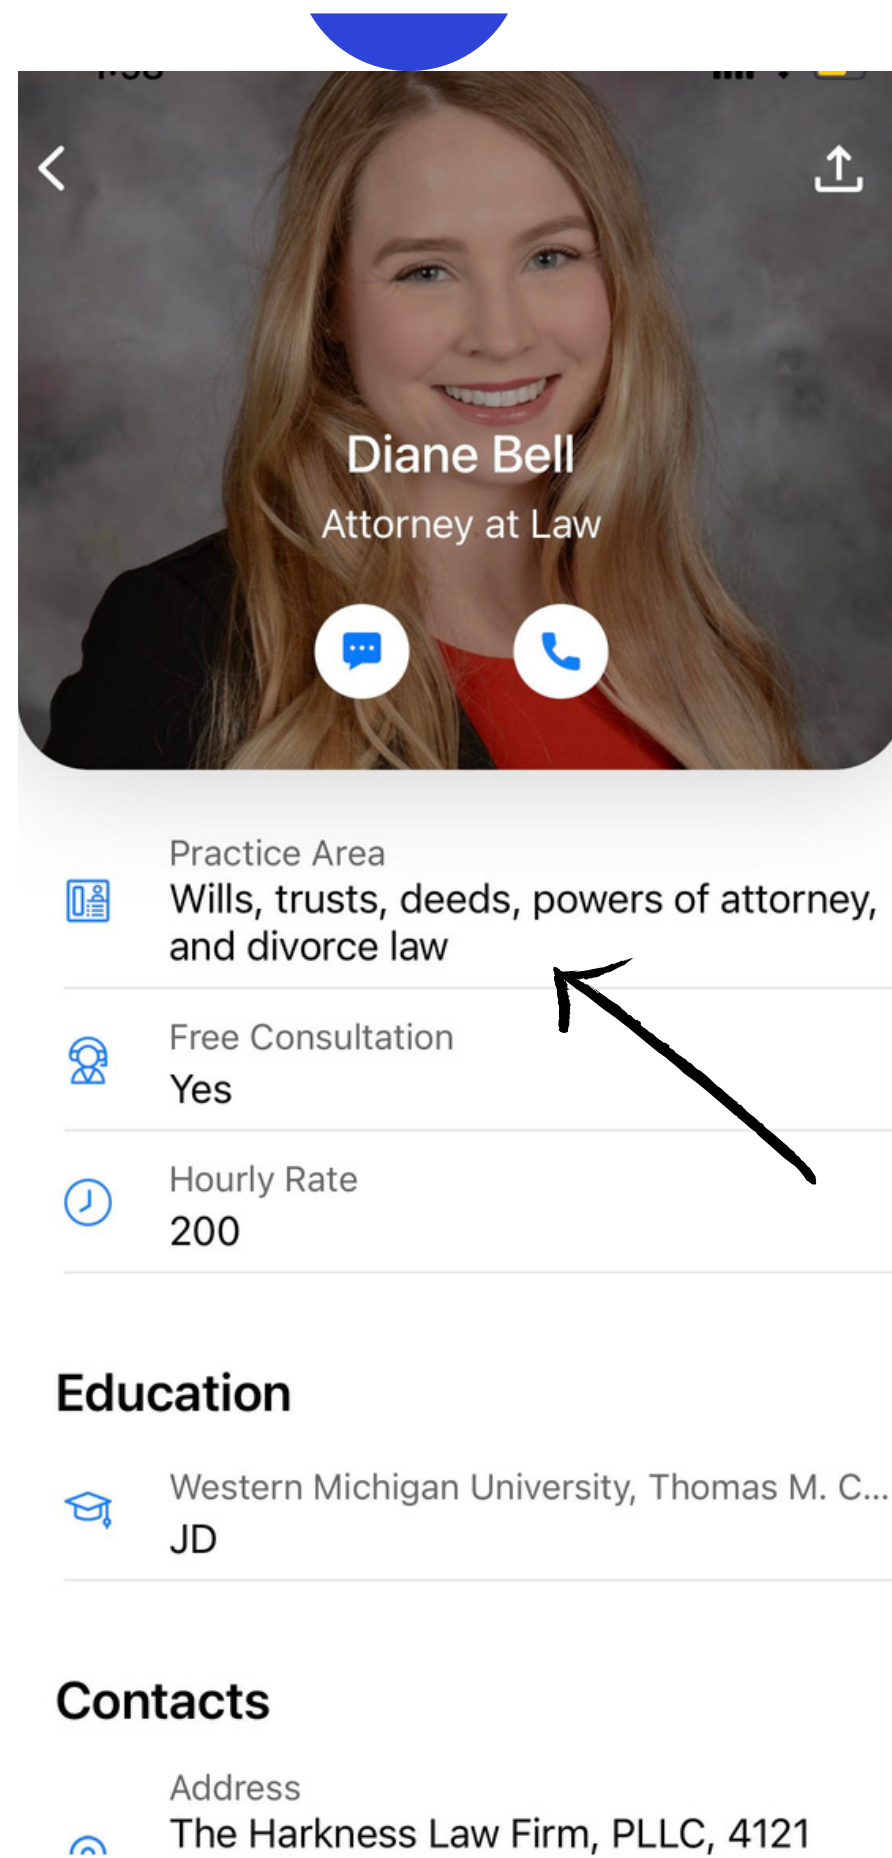

Voice memos: Save time and effort by sending voice memos to clients for instructions or appraisals instead of typing lengthy explanations.

Deletions: Delete anything at any time. The days of Inadvertent Disclosure are over.

Group Chats: Forget about clunky email threads and slow conference calls.
