Voice memos: Save time and effort by sending voice memos to clients for instructions or advice instead of typing lengthy explanations.

Deletions: Delete anything at any time. The days of Inadvertent Disclosure are over.

Group Chats: Forget about clunky email threads and slow conference calls.

On July 6, Chicago police charged Reginald Merrill, 33, with Natalie's murder. Police allege Merrill drove the shooters' car: he is currently being held in Cook County as investigators pursue other pects. Merrill's attorney, Nick Burris, reportedly told the judge at Merrill's bai hearing that Merrill could not be positively identified behind the wheel, an that there is no evidence Merrill knew the other men were going to get out of the car
